

PISTACHIOS

Our pistachio nuts are **crunchy** and **delicious**.

They come from **family orchards** in the area of Mesogea in Eastern Attica.

We use cultivation methods of low environmental impact.

The pistachios are **hand collected** in August and **sundried** immediately after peeling.

Raw, for full flavor, or Roasted with **fresh lemon juice** and **sea salt** (fleur de sel)

from Kythera island, our pistachios are a must-have for every nut lover!

Packed in their shell, in **two protective atmosphere bags**
of **200gr each / 400gr per package**. 6 packs per carton box.
